Dear Members of the Victoria University Community,

We have embarked on the process of selecting a President and Vice-Chancellor. This is an important responsibility and the Board is committed to finding the candidate who will be best suited to lead Victoria University into the future. The search will be comprehensive in scope with an integral portion being a call for nominations. To help us in our search, we have engaged the services of Laverne Smith & Associates, a leading Canadian firm that has worked extensively with universities.

We ask for your assistance in gathering information to support the process. Please click [here](#) to complete a brief questionnaire to be returned to Laverne Smith & Associates. All responses will be held in strict confidence by the consultant and the inclusion of your name is optional.

As this is a very important matter for the University, your input is critical and I would ask you to take the few minutes required to help us in this important undertaking. Please complete your questionnaire by November 29, 2021.

Thank you for your time and input.

Sincerely,

John C. Field  
Chair, Presidential Search Committee
